In June we conducted a survey to see how well we are performing in our customers' eyes. Overwhelmingly, the responses were very positive. Based on the survey, we can say that, compared to our competitors, our prices are more reasonable and our equipment is of better quality. Over 88% of our customers rate us "very professional" or "extremely professional," and over 85% rate us "very responsive" or "extremely responsive". Most impressively, 100% of respondents said they are likely to recommend us to people they know.

Everyone at ECCO deserves congratulations for contributing to such excellent customer service. As one survey responder said: "You guys and gals are great!"

Welcome to the Team

Welcome to ECCO! **Tatiana Rodgers** is the new Corporate Receptionist/ Administrative Assistant who will take on the gruesome task of trying to fill Marcia Garcia's shoes...She's certainly got a LOT of work to do~! Tatiana comes to ECCO with 10+ years in the construction industry. She has two boys, ages 4 and 8. When she's not getting dirty with her boys, she enjoys working out, reading, writing, spending time with her family and close circle of friends.

Evan Gronquist is a Field Representative in Santa Ana who recently returned to ECCO in June after having previously worked here for 5 years. He said that he likes to keep life as simple as possible. He and his wife have 2 dogs. He enjoys reading and relaxing in his spare time.

Tom Franczak has been a longtime Las Vegas resident that has worked in the heavy equipment maintenance field for nearly 17 years with local Las Vegas contractors. He came to work for ECCO as an HDR Apprentice in February of 2012. Tom is married with a daughter. He enjoys outdoor activities, camping, dirt bikes, and customizing off-road prerunner trucks for playing on sand dunes.

James MacDonald is an East Coaster. He loves to fish when time allows. He also has two boys- one who is 18 and another who is 17. James says he generally has little to no time off, but very much enjoys his position here at Ecco.

Farewell to Melissa

Melissa Morones initially began working for ECCO as a Receptionist/Administrative Assistant at our Corporate Office in Santa Ana, CA back in 2008. She quickly made her way to Payroll Coordinator in 2009 where she did an outstanding job handling the ins and outs of the position and even worked as our Human Resources Contact. Melissa has been a huge asset to all of us and she will definitely be missed. We would like to bid farewell and wish her the best on her adventures as a Full-Time Mommy~! Good Bye and Good Luck!

Annual Company Picnic

On June 3rd, ECCO held its annual company picnic at the Santa Ana Zoo just 5 miles from corporate headquarters. Over 100 employees, family members and friends of ECCO and Marco Trucking joined in the fun. In addition to free t-shirts, great food, and fun games, everyone was treated to free admission to the zoo. If you missed the picnic this year, put it on your calendar for 2013!

Safety Dave's Corner

Safety Dave Says:

Did You Know…

About 90,000 people are sent to the emergency room in ladder-related injuries every year?

Workers may not stop to think about safety every time they use a ladder on the job. But they should- 300 people a year die in falls from ladders. This has been a friendly reminder to keep Safety First! Brought to you by Safety Dave!

ECCO Recipe — Potato Bombs

foodnetwork.com

Prep time: 10 Minutes Cook time: 15 Minutes Yields : Serves 4

Ingredients:

- 4 Russet Potatoes
- 1/4 Cup Shredded Cheese
- 1/4 Cup Chopped Roasted Red Peppers
- 1/4 Cup Chopped Canned Carrots
- 1/4 Cup Crumbled Bacon
- 1/4 Cup Chopped Chives

Method :

1.) Using a fork, prick holes in each potato.

2.) Place the potatoes in a microwave safe dish and heat on high for 15 minutes until tender. Use oven mitts to remove cooked potatoes from microwave and set aside for 2 minutes, or until cool enough to handle.

3.) Using a knife, slice lengthwise pm the top of each potato. At the same time, push each end of the potato inward, causing the top to break open and potato to fluff up.

4.) Repeat with remaining potatoes.

5.) Top each potato with cheddar, red pepper, carrots, bacon and chives.

Enjoy!
